### About HBI

Healthy Buildings International (HBI) are worldwide leaders in Indoor Environmental Consultancy, specialising in delivering Health, Safety and Environmental compliance solutions to a wide range of organisations across the UK & Europe. We have a prestigious client base and our work often takes us through highly varied and impressive building portfolios.

Our core consultancy services are incredibly diverse and range from Indoor Air and Water Quality Surveying, Legionella Risk Management, Fire Risk Assessment, to Occupational Hygiene, Asbestos Management Solutions and Environmental Services. Please visit [www.hbi.co.uk](http://www.hbi.co.uk) to view further details of the consultancy services we provide.

### Asbestos Surveyor Role

We are looking to recruit a dedicated Asbestos Surveyor / Environmental Consultant who will be based from our office in Wakefield. This exciting opportunity is hugely varied and a unique chance to develop your consultancy expertise in the Health and Safety Compliance sector.

Full training will be provided in other aspects on Environmental Consultancy, both in-house and via external qualifications & CPD- essential in our legislative-driven marketplace. There may be opportunities to specialise in specific areas of the business over time but the role will primarily focus on developing your skills to succeed as a Consultant in the disciplines below:

- Indoor Air Quality (IAQ) Inspections
- Legionella Risk Assessment and Management
- Fire Risk Assessment & Fire Safety
- Water Quality and Water Treatment

In addition, you will be actively involved in the following important areas of our business:

- Scientific report writing
- Technical client account management & liaison
- Developing knowledge and skills using our online compliance & reporting system

### Experience Required

Applicants must have a P402 and be able to demonstrate experience and competency in conducting Management and Refurbishment & Demolition Asbestos Surveys in a variety of building types. Other asbestos proficiency qualifications will be an advantage, as would other Health and Safety qualifications particularly in relation to Fire Risk Assessment. Applicants must have a full driving licence as the role can involve a considerable amount of field-based travel.

### Why Join HBI?

Enjoy the benefits of working in a flexible, diverse and friendly consultancy, in a cutting edge and fast moving industry. All field-based staff are provided with a company vehicle (For work & private use), Full Travel Expenses and lunch allowance, 28 days holiday per year (inc. Bank Holidays). An Optional Pension scheme and Private Health Insurance are also available. We also offer regular progress and career reviews as well as on-going CPD investment and opportunities to all staff. HBI are recognised as Investors in People and are Equal Opportunities Employers.

### How To Apply

To apply, please send a covering letter and a copy of your CV, including references, to: **Claire Vitel** at [cvitel@hbi.co.uk](mailto:cvitel@hbi.co.uk), or alternatively in writing to: **Healthy Buildings International, Parkside, Spencers Wood, Berks RG7 1AE.**
